## NEW FAI F3F WORLD CUP TROPHY

The new trophy for the World Cup competitions is finished and will be given to the winners of the FAI WorldCup competitions in F3F and F3K from 2018 on.

It is a collaboration between german and czech FAI supporters, with help and support from countries all over Europe. Truly it is a sign of the common goal that we all share, promoting and living the sport of aeromodelling.

The molds are a high-tech CNC-machined by a czech partner near Praha. The medal itself is traditionally handmade from a tin casting master in the beautiful mountain city of Freiberg in Germany (between Chemnitz and Dresden).

A big thank you goes out to all the known and unknown partners, that made this extraordinary medal possible.
