

CIVL 2020 PLENARY – ANNEXE 23L BUREAU PROPOSAL — BADGES SHIPMENT

Issue and discussion

The current scheme allows only issue of badges by the NAC. The NAC must buy them from FAI in minimum batches of ten. Some NACs don't want to do this because they seldom issue badges. Another way to issue badges could be the following.

Proposal

S7D – 2.4 Issue of Badges

Replace...

Badges shall be issued by the appropriate NAC, which shall keep a register of pilots' names and dates of completion of the badge flights.

By...

Badges shall be issued only with the pilot's NAC approval. The NAC shall keep a register of pilots' names and dates of completion of the badge flights.

Badges may be issued as follows

- The NAC orders badges from FAI and issue them to its pilots.
- The pilot asks the NAC to approve his/her performance and pay a fee to FAI. The pilot then receives the badge from the CIVL Administrator.

Alternate proposal

No Section 7D change. Just modify the CIVL website accordingly.
