

CIVL 2020 PLENARY – ANNEXE 25A
PG XC COMMITTEE PROPOSAL – ELIGIBILITY TO COMPETE

Issue and discussion

Section 7A 2.2. states:

In the 24 months before the ranking reference date, which is 3 calendar months before the championship starts, a pilot has to have either:

- For World Championships, ranked in the top 500 in the World WPRS for paragliding or scored a minimum of 40 WPRS points in any single FAI sanctioned event.
- For European Championships, ranked in the top 500 in the European WPRS for paragliding or scored a minimum of 20 WPRS points in any single FAI sanctioned event.
- For other Continental Championships, ranked in the top 1500 in the World WPRS for paragliding or scored a minimum of 20 WPRS points in any single FAI sanctioned event.

The eligibility to compete criteria seems to be too low for European Championships. The number and skill of pilots, the type of tasks flown are the same as for World Championships. For safety reason, the eligibility to compete should be the same.

Proposal:

Replace

For European Championships, ranked in the top 500 in the European WPRS for paragliding or scored a minimum of 20 WPRS points in any single FAI sanctioned event.
