Object: French Proposal Jiao-Xi 2012 CIVL Plenary

Dear all,

### **Proposal 1**

Aim:

In the wake of CIVL suspension of Competition Class gliders, that S7 be adjusted according to CIVL July 18<sup>th</sup> declaration.

Proposal:

That in Section 7B-Class0 of the Sporting Code, 4.1.1 be written as such (modifications are underlined):

"The rules for 2<sup>nd</sup> Category events shall be based, as far as appropriate, on those of 1st Category events and must not conflict with them in principle.

It is underlined that NACs are responsible for managing the sport in their own territories and have the local knowledge to do so. Therefore NACs are best placed to make judgements on which rules are appropriate for their events. Category 2 competition organisers should make their own decisions within this framework.

2nd Category events that are also test competitions for 1st Category events shall be run according to 1st Category event rules and sample Local Regulations except for the requirement for entry requirements and those for additional FAI officials."

### **Proposal 2**

Aim:

To insure that every important event can apply to be considered as 2<sup>nd</sup> Category events.

Proposal:

"CIVL considers as one of its highest priority the resolution of conflicts between competition organizers and their NAC."

**Proposal 3**

Aim:

That all competitors have an easy and cheap access to FAI License.

Proposal:

"CIVL considers as one of its highest priority an easy and cheap access to FAI License in all countries."

**Intention's letter :**

The French federation, FFVL, is willing to organize in 2014 a FAI Category 1 Event :

The World Class 2 and 5 and Women Hang Gliding in Annecy. Organizer: Delta Club d'Annecy.

Organizer of the event is experienced in National Championships and / or Category 2 Events. The sites chosen, Annecy's region, are considered adapted for Category 1 Events.

We understand that the bid is coming out of schedule.

FFVL and the organizer will present proper bid as soon as possible and at least during 2012 season.

Sincerely.
