## **Austrian Proposal – Entry Fee on Category 1 Championships**

*The Section Hang- and Paragliding of the Austrian Aero-Club wants to make a recommendation for decreasing costs on category 1 championships.*

*There is no ruling at the moment, so we want to consider to regulate this matter for common category 1 championships.*

*In Austria we have the regulation that competition organisers have to limit the entry fee to a maximum of Euro 23,-- per flying day (including transport to takeoff and retrieval).*

*So the organisers must look for some sponsors and make the championship more public. For PR reason it is necessary for the sponsor to have the event public.*

*Best regards*

Delegate Austria*
