Minutes of the competitors meeting Menzelinsk, August 5th, 2010.

1. Changes to the rules – oblige organizers to have suitable electronic scoring system for AE.
2. FF compulsories – calculation when the number of points overcomes 10:
Proposal: have 10 compulsory moves (5 per each jump) and perform them in artistic manner (not speed round), or
 - a) Accumulate scores (up to 35 points)
 - b) Team, which makes max number of points gets 10 points, others become % from 10 points.
3. Add blocks to the speed rounds.
4. Include compulsory moves into the free routines (different from speed rounds), like in figure skating. These compulsory moves to be chosen by draw.
5. Competitors wanted to send their suggestions of the moves (FF for compulsories).
6. FreeStyle – combine compulsory moves in artistic way.
Proposal: compulsory moves should not be too difficult; they can be done on national level).
7. Change the difficulty table.
8. Make speed FF as separate 2-way event.
9. Include in the entry fee videos from the competitions.

Competitors complained that AE was not treated the same way as other events. On different airplanes exit speed was different, and plane angles were different.
