The Leonardo Da Vinci Parachuting Diploma

Dear Mr. Bishop,

the German Aero Club nominates for the FAI "The Leonardo Da Vinci Parachuting Diploma"

Mr. Marco Plüger

The Leonardo Da Vinci Parachuting Diploma may be awarded each year to a person, who meets one of six criteria. The person, who Germany is proposing for this award this year, has not only achieved one requirement for this award, but has surpassed the criteria stated in the regulations for this award by a far margin.

This well known and respected athlete throughout the parachuting world, Mr. Marco Pflüger from Germany, has won a total of nineteen National Parachuting Championships between 1991 and today,

including:

- five consecutive times the title of National Parachuting Champion in team Accuracy,
- five National Parachuting Championships in Freefall Style,
- five National Parachuting Championships in Individual Overall
- four National Parachuting Championships in Individual Accuracy,

Internationally, Marco Pflüger, since 1995 achieved 15 times the title of World Absolute Parachuting Champion,

including

- 9 World Championships in Freefall Style
- 2 World Championships in Team Accuracy
- 2 Individual Overall World Championships
- 2 titles of best national team at World Championships and
- 3 titles of World Cup Winner in Freestyle Style, Team Accuracy and as an Individual Overall winner.

Marco Pflüger has been twice a member of a Champion Team at International Parachuting Competitions, the World Championships (CISM) 2000 and 2004.

The record of Marco Pflüger speaks for itself. He proudly will stand in line with those outstanding athletes, who have been honoured with the Leonardo Da Vinci Diploma before.

Yours sincerely
