So, Oskar Findahl got the highest ranking by the experts. The CIAM Bureau acknowledged the result and recommended that the Plenary should award the 2014 CIAM Scholarship to Oskar Findahl. Plenary decision was unanimously in favour.

## 2. Scholarship Diploma "Spirit of Flight"

Finally in cooperation with the FAI Office a Diploma Form could be developed which meets both, the CI-policy of FAI and the wishes of the Education SC. During the Plenary Meeting, all four winners got their diploma signed by the CIAM President (**see the sample attached**). They were received by delegates and experts present in order to arrange a worthy awarding at home.

## 3. Postponing the Scholarship Payment of 2013

As Loic Burbaud - winner of 2013 - had to wait for a place at university, France asked to postpone the payment. In the meantime (11. Nov. 2014) Loic bought an Apple Mac Book Pro with the intension to be refunded by the scholarship, causing some friction with the rule that no money should be sent directly to the recipient of the Scholarship (ABR A.18 e. ii).
