2009 TROPHY REPORT
by CIAM Secretary, Massimo Semoli

At this moment, we have 84 trophies registered: 46 are World Championships trophies, 15 are dedicated to European Championships and 23 are reserved for World Cup classes.

The help of FAI jury members is continuously required in order to check the proper conditions of our trophies.

The CIAM Secretary remind that, as agreed during the 2008 Bureau meeting, the awarded trophies should be announced together with the results of each championships. This didn't happen for the last championships. Therefore, the FAI jury members have to inform the organisers to include, in the championships results, also the awarded trophies.

From the next year, the new Trophy report form, approved by the 2009 Plenary, will be used for registering the transfer and the condition of the trophies, awarded during the World and Continental Championships.

The CIAM Secretary will fill the trophy forms for the 2010 Championships with the relevant data and they will be sent to the organisers for registering the transfer data of the awarded champions.

Since the holders are responsible for maintaining the trophy in good condition, the CIAM Bureau monitoring will continue each year.

A new form for the trophies awarded for the World Cups will be created and proposed at the 2010 Plenary Meeting.

The handover of the World Cup Trophies can happen during the Plenary meeting or at specific World Cup events.

The CIAM Secretary asks the Bureau to approve this approach and the relevant Trophy Report Form.

The FAI jury checked the condition of the official F1 trophies. The Daumerie Cup (F1A team) has no box and the base needs extension to give place for further winners. The Penaud Cup (F1B team) needs a new box (that would be easier than to repair the old one) and extension to the base again. The Franjo Kluz Cup and the Kosmonautica Vase (F1C team) need boxes. Process for extending bases and manufacturing boxes need to be established.

At the last F1D Indoor European Championships in Serbia, the Serbian NAC donated the trophy, was awarded to Czech Republic as the most successfully junior team.

At the last Plenary meeting the F3A Individual World Cup trophy, donated by French Federation, was awarded to Gerhard Mayr from Austria.

The situation of trophies is enclosed to this report.
