Michael Kroeger achieved his outstanding results in the class F3A-W (which is a national class in Germany only) as well as in the class F3A Hydro (which is a class in several European countries). He won 13x the Europe-Cup F3A Hydro. The first was in the year 1997 and the last 1998.

Even though the class F3A Hydro is not an international class of the FAI, competitions in this class are held in various European countries (Austria, Switzerland, Italy, France, Germany and Czech Republic). The European Cup can be compared to a European Championship.

Please take his unique and constant performance over years into consideration and apply the FAI guidelines in a generous way in this special case.
