63rd FAI IPC Plenary Meeting 2012, Buenos Aires, Argentina

Subject: Motion for amendment of Sporting Code 5, 2011 § 1.1.2 (9)

Author: dr. István Sipos, IPC Delegate, Hungary

Date: 24 November, 2011

Chapter 1: General Regulations

1.1.2 Definitions

**„ (9) For all disciplines a junior competitor is a person under the age of 24 or whose 24th birthday occurs during the calendar year in which the relevant competition takes place”.**

Explanation

A system is functioning well when the regulations apply generally, are harmonised at overall level, and there are no discrepancies in it.

With this motion ALL IPC categories for juniors will be in line with the existing IPC Paraski category, and also with the rules of International Military Sports Council – CISM Parashuting Committee.

This could help also to increase the number of participants in the junior category.
