Notes:

Preregistration is strongly encouraged. Please email the contest director and let him know what events you will be flying. It will make your check-in process much easier.

Muncie is located 1.5 h from Indianapolis International Airport, 2.5 h from Columbus International Airport, 3.5 h from Detroit International Airport and 4 h from Chicago O'Hare International Airport

Motors will be provided to contestants at the meet for S1B, S3A, S4A, S6A, S9A and S8P. The motors provided will be: A10-0t, A3-2t, A3-4t, A3-6t, and E6 for S8E/P.

Motors for S2/P and S7 must be NAR contest certified and must contain no more than 30gm of propellant. If you need to ship motors, you may ship them to the Contest Director.

Adrel altimeters are required for S1A and S2/P and will be available for rental with a \$80 deposit refundable upon return.

Please note the new FAI rule for S3 and S6 that states recovery wadding and plugs must stay with the model, or it will be disqualified. Floating head pistons are no longer legal as well. **NO pistons are allowed for S1B.**

The meet is registered as an NRC event.
