

FORMATION SKYDIVING

Summary of rule changes 2015

1. Proposed Rule changes (both FS and VFS rules)

- Combine the (outdoor) FS and VFS rules into one document.
- Allow 2 alternates for FS 8 way
- **Housekeeping:**
 - VFS block 4 “Chain Gang” is incorrect in the current divepool. This is the correct version from 2011 that will be put back in the 2015 divepool.

- Housekeeping indoor rules:

At request from the FS Committee the IPC Bureau made a decision to amend the Indoor Skydiving FS Competition Rules at point 4.5.4. The rule was originally written for VFS, but is not appropriate for FS.

Old wording: The video equipment will be placed in the wind tunnel in such a location as to ensure that all members of the team are visible from below. The location and field of vision must be approved by the Chief Judge and the FAI Controller.

- the words ‘**from below**’ (at the end of the first sentence) should be deleted.

New wording: The video equipment will be placed in the wind tunnel in such a location as to ensure that all members of the team are visible. The location and field of vision must be approved by the Chief Judge and the FAI Controller.
