Aldo MARENGO	ITA	22.9	5.4	4	22.9		
Tom ADAMS	USA	24.9	9.2	6	20.6	27.1	
Tomas KORINEK	CZE	27.5	4.7	2	27.5		
Key to Column Headings:							
Judge	Name of CIVA Judge.						
Nationality	Nationality.						
ALL Avg RI	The Average Judge RI calculated across all sequences judged.						
ALL Stdev RI	The Standard Deviation of the RI scores across all sequences judged - a higher number indicates more variability in the RI scores, highlighting inconsistency in judging performance.						
ALL No Seq	The number of sequences recorded on the database for each judge						
ALL UNL Avg RI	The Judge Average RI calculated across all Unlimited sequences judged.						
ALL ADV Avg RI	The Judge Average RI calculated across all Advanced sequences judged.						
ALL YAK Avg RI	The Judge Average RI calculated across all YAK sequences judged.						
Stdev RI results greater than 10 are highlighted in red
