

F3 HELICOPTER SUBCOMMITTEE

2014 Annual Report

Dear all,

There have been no S/C meeting this year. There have been approved lots of new proposals for manoeuvres in both F3C and F3N for 2015, 2016-2017.

Due to no F3N/F3C Continental helicopter championships in 2014 there has a lot of discussion about the cost of championships.

Documents for 2014

- 3) S/C proposal to change 5.11.8 Classification.
- 4) S/C proposal to change 5G.8 Criteria for judging freestyle flight and music freestyle.
- 5) S/C proposal to change Team classification F3C.
