General Competition Rules and Local Procedures

The FAI Sporting Code General Section and Section 3 with its Annexes will apply.
The Local Procedures will be issued, after approval by IGC and will be published on the competition website.

The Organizer will publish in the official website of the championship the co-ordinates of the departure, turn and control points and restricted areas in the required formats, but it is the responsibility of the competitors to load these into their flight recorders or other navigational equipment.

During the contest period, regulation may be applied by the relevant authorities in order to limit spreading Covid-19 infections. Such regulations will be announced by the contest organizers as early as possible.

National Teams for EGC

Each NAC may enter not more than 6 pilots (2 pilots in each class) plus current European champions.

National Teams for WGC

Each NAC may enter not more than 2 pilots.

Total number of allowable entries

The number of entries will be limited as maximum number of gliders - total 120 pilots.
If championship does not have at least ten participants from at least five NACs compete on the first Championships day, the contest will take place but no Champion will be declared.

Insurance

The glider shall be covered by third party insurance in conformance with **EU Regulation 785/2004**.

Personal medical insurance is required for all team members, covering accidents and sickness, including any local hospital costs of transport back to the team member's home country.

Documentary proof of the insurance shall be made in English.
